**Q: How much does it cost?**

A: We offer three tiers starting at \$99 per month. Since pricing depends on your team size, would you like me to pull up the comparison chart?

**Q: Does this integrate with Zapier?**

A: Yes, we have a native one-click integration with Zapier that supports over 5,000 apps. You can set it up directly in the dashboard settings.

**Q: Is my data secure?**

A: Absolutely. We use bank-level encryption for all data in transit and at rest. We are fully SOC2 compliant and never sell your data to third parties.

**Q: What if I don't like it?**

A: We offer a 14-day money-back guarantee with no questions asked. You can cancel anytime from your billing portal.
